Subject: Hydrovane Planned Phase Out – PEAS Machines for V11-22 & Industrial NSP's to be discontinued.

Dear Colleagues,

Update on the proposed phase out of the Rotary Sliding Vane Compressors – PEAS Machines V11-22.

We will stop production of the below units on **31st January 2023**.

V11PEAS08-4035S100 / V11PEAS10-4035S100

V15PEAS08-4035S100 / V15PEAS10-4035S100

V18PEAS08-4035S100 / V18PEAS10-4035S100

V22PEAS08-4035S100 / V22PEAS10-4035S100

Additionally, Industrial NSP's (Industrial Non Standard Products) will be stopped from the same date. This does not affect Transit products or existing snow machines.

Please rest assured we are working to ensure fulfilment of all existing orders. Please contact your local area sales manager for further information on outstanding proposals.

Remaining at your disposal.

Kind Regards

Graham Read
